

CALL FOR PAPERS

AMS 2027

International Conference on Algorithms, Media & Society

The Organizing Committee is pleased to announce the Call for Papers for the **AMS 2027 – International Conference on Algorithms, Media & Society**, to be held in Madrid, Spain, on May 24–25, 2027.

AMS 2027 will bring together scholars, educators, professionals, and policymakers interested in examining the impact of algorithmic systems and artificial intelligence on media ecosystems, communication, education, and contemporary society. The conference aims to provide an interdisciplinary forum for critical debate, knowledge exchange, and the presentation of innovative research addressing the challenges and opportunities posed by algorithmic technologies.

— TOPICS OF INTEREST

Submissions are invited on, but not limited to, the following topics:

01 Algorithmic and media literacy

03 Digital platforms and algorithmic governance

05 Ethics, transparency, and regulation of algorithms

07 Education, technology, and society

09 Data, automation, and power

02 Artificial intelligence and communication

04 Disinformation and fact-checking

06 Algorithms and civic participation

08 Generative AI and cultural production

10 Digital methods and computational communication research

Contributions addressing related topics within the broader scope of the conference are also welcome.

SUBMISSION FORMATS

The conference welcomes proposals in the following formats:

INDIVIDUAL PAPERS

Individual presentation of a research work.

THEMATIC PANELS

Coordinated sessions around a shared theme.

RESEARCH POSTERS

Visual presentation of projects and findings.

Each participant may submit a maximum of **two contributions**.

All submissions will undergo a **double-blind peer review process**.

SUBMISSION GUIDELINES

Proposals must be submitted through the conference online submission system, using the template corresponding to the selected participation format. Abstracts should not exceed **500 words** and must include the research objectives, theoretical framework, methodology, and main findings or expected contributions.

IMPORTANT DATES

1

SUBMISSION OF ABSTRACTS

Submit your proposal through the conference online submission system using the appropriate submission format.

DEADLINE · OCTOBER 15, 2026, 23:59 (MADRID TIME)

2

PEER REVIEW

Double-blind peer review process. The Scientific Committee will evaluate submissions based on quality, relevance, originality, and thematic fit.

REVIEW PERIOD · OCTOBER 2026 – JANUARY 2027

3

NOTIFICATION OF ACCEPTANCE

Authors will receive notification of acceptance or rejection, including the final presentation format assigned.

NOTIFICATION DATE · JANUARY 15, 2027

4

CONFIRMATION OF PARTICIPATION

Authors of accepted proposals must confirm their participation and complete conference registration. Unconfirmed proposals will be removed from the final program.

DEADLINE · BEFORE MARCH 1, 2027

— SCIENTIFIC PROGRAM

Accepted contributions will be included in the official scientific program of the conference.

Inclusion in the official
conference program

Assignment of session, date,
and presentation time

On-site presentation in Madrid

— PUBLICATION OPPORTUNITIES

All accepted contributions will be included in the **official conference book of abstracts**. In addition, selected contributions may be considered for:

Publication in scientific journals

Inclusion in an edited volume arising from the
conference

Participation in these publication opportunities will be subject to the corresponding editorial and peer-review processes.

REGISTRATION

Conference registration is **free of charge**,
subject to prior registration through the official
conference website.

INFORMATION AND SUBMISSION

Further information on submission formats,
templates, and procedures is available on the
official conference website:

algorlit.com/congreso/ams-2027/

We warmly invite the international academic and professional community to participate in this forum for reflection and dialogue on the role of algorithms and artificial intelligence in shaping contemporary societies.

We look forward to receiving your submissions and welcoming you to Madrid in May 2027.
